5	Happy Valley Tk Crossing to End	11	Buckley Ck
6	Doctors Ck	12	O'Learys Ck

Swabys Creek, Buckley Creek and O'Learys Creek are all unnamed waterways. The names applied here are either based on adjacent track names (Swabys) or on the original selector/landholder in the stream's headwaters. (Buckley and O'Leary) The streams were given names to assist with the planning of the project. Zones 9-12 were surveyed as part of Stage Two.
